Overall key message for BENM to add:

Is that there are objects to protect but we are doing it in the smallest area compatible. 1.35 m acres too large. The boundary was chosen arbitrarily- which can be seen in the fact that the monument was designated only after a failed congressional land management bill and used same boundary. I believe this line is in the report.

On Gsenm section:

Typo ("this" is stated twice)

Take out Paria road line

On cascade siskiyou- take out OMC lands (I believe you meant to say O&C lands, a point which you already made)

On papahanaumokuakea-

(b) (5) DPP

I think you should take out totally Washington and California sections. Also unless some of those stakeholders under Arizona agreed to do press for us- take that section out also.

The Governor list is still a mess- still has

Downey - also, here is the latest Comms/Outreach Plan for your

review. WH has asked us to share. On the call lists, Tim and Micah have said that they or Sec. have called everyone on their lists at least once and made the ask for support.
